

# TSP GOALS

**GOAL 1: Livability.** Design and construct transportation facilities in a manner that enhances the livability of Milwaukie's established neighborhoods and business community.

**GOAL 2: Safety.** Develop and maintain a safe and secure transportation system.

**GOAL 3: Provide travel choices.** Plan, develop, and maintain a transportation system that provides travel choices and allows people to reduce the number of trips made by single occupant vehicles.

**GOAL 4: Quality design.** Establish and maintain a set of transportation design and development regulations that are sensitive to local conditions.

**GOAL 5: Reliability and mobility.** Develop and maintain a well-connected transportation system that reduces travel distance, improves reliability and manages congestion.

**GOAL 6: Sustainability.** Provide a sustainable transportation system that meets present needs while facilitating the needs of future generations.

**GOAL 7: Efficient and innovative funding.** Efficiently allocate available funding for recommended transportation improvements, and pursue additional transportation funding that includes innovative funding methods and sources.

**GOAL 8: Compatibility.** Develop a transportation system that is consistent with the City's Comprehensive Plan and that coordinates with County, State, and regional plans.

**GOAL 9: Economic vitality.** Promote the development of Milwaukie's, the region's, and the State's economies through the efficient movement of people, goods and services, and the distribution of information.
