PRESS RELEASE

On July 4, 2006 at 5:17 a.m. Milwaukie Police investigated an attempt to steal an ATM at the Clackamas Community Credit Union at 10400 SE Main.

Suspects used a piece of construction equipment, a heavy front loader, to remove the ATM from its base and attempted to take it away from the property. Suspects were unsuccessful in their attempts to load the ATM and fled the scene after apparently setting fire to the front loader.

Two suspects were seen leaving the scene and after a search of the area utilizing a K9 they were not found. The front loader had been reported stolen from Modern Machinery in Portland on June 30. The fire caused damage to the cab of the loader.

The suspects used a Mack dump truck and attached trailer to transport the front loader to the scene. The trailer was left at the scene and Milwaukie Police are currently looking for the dump truck. Both the trailer and the truck were stolen from Hessel Construction in Portland on June 30. The truck is a red Mack truck with a gray box with OR license T537150.

The suspects caused extensive damage to the front of the building and the Milwaukie branch of the credit union will be closed until repairs can be made.

Milwaukie Police are continuing to investigate. There are no suspects at this time.
