Milwaukie's Advisory Board, Committees & Commissions keep Milwaukie's Vision ringing true...

Milwaukie: A great place to live.

The City of Milwaukie is looking for people who are interested in making a commitment to Milwaukie and its Vision.

Some advisory boards, committees and commissions have special requirements, but in general, any City resident that has an interest in helping community government gather the input and advice of its citizens can apply for appointment. Prospective appointees are interviewed by City Council.

Most groups average one meeting per month, and some personal time is required to become familiar with program activities.

This brochure provides a brief description of City advisory boards, committees and commissions to help you determine if you might be interested in being considered for appointment.

If you would like additional information or would like to have an application mailed or emailed to you, please call Pat DuVal, City Recorder at 503-786-7502 or send an email to duvalp@ci.milwaukie.or.us
