PRESS RELEASE

Two Milwaukie officers recently received letters of commendation for their efforts in attempting to save a child that had attempted suicide.

On December 19, 2005 Officer JR Oleyar, a 15 year veteran, and Officer Tony Cereghino, a 5 year veteran responded to a call for help of a 10 year old child that had attempted suicide by hanging.

Both officers immediately upon arriving began CPR on the young boy until EMS arrived and took over. Although they were trained in the use of CPR it is not common for officers to utilize it and their efforts at attempting to save the young life were commendable.
