## **PRESS RELEASE**

On June 9, 2006 at 7:36 a.m. Milwaukie Police responded to a report of a possible unexploded pipe bomb on the grounds of Ardenwald Elementary School in the area of SE 36<sup>th</sup> and SE Floss.

Officers responded and found a small explosive device, similar to an "M80" on the grounds of the school. The device had been reported to police by a citizen while metal detecting at the school.

Portland Police Explosive Disposal Unit (EDU) responded to the school and removed the device without incident. The device was taken to a safe location where it was destroyed.

It was not determined who placed the device on the school grounds. There were no reported injuries and no one was in immediate danger.
