MILWAUKIE POLICE UNVEIL PHOTO RADAR

Milwaukie Police begin photo radar enforcement.

The Milwaukie Police Department has become the latest agency to use photo radar enforcement to actively enforce speed laws in the city.

Approved by the Oregon State Legislature last year, Milwaukie Police are scheduled to begin enforcement on March 25, 2008. The photo radar unit will be positioned at various locations throughout the city and will be focusing on identified problem areas.

Speed law violators are subject to fines from \$145 up to \$615. This effort has been coupled with the hiring of two new traffic officers with the goal to increase safety on Milwaukie streets.
